

ECSCA

European Community Shipowners' Associations

Risks & solutions

Views of the Maritime industry regarding the deployment of the Entry-Exit System

**EU-LISA Industry Roundtable
11-12 October 2022**

ECSCA

European Community Shipowners' Associations

About ECSCA

- Representing 19 national shipowners' associations of the EU countries and Norway
- Founded in 1965
- Promotes and protects the interests of European shipping
- Brussels Secretariat – 8 employees

Impact on shipowners

- Risk of increased port congestion
- Risk of additional costs
- Possible distortion of competition

Expectations of shipowners

- Ensuring traffic fluidity
- Transitional period
- Ensuring fair competition

Thank You.

Marius Dejarnac
Policy Advisor – Shipping & Trade
