Carrier Working Group Website

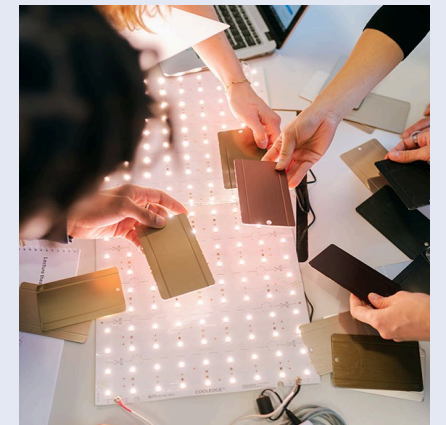

- Important source of information for carriers
- Through this website the carriers have access to:
 - Registration options and forms
 - Legal base
 - Implementation process
 - Frequently Asked Question
 - Step-by-step instructions
 - Concrete operational scenarios

The screenshot shows the EU-LISA website's 'Working Group for Carriers' page. The navigation menu on the left includes: Who We Are, Mandate And Mission, Values, Legal Basis, Access to Documents (Public Register, Transparency Register), Organisation (eu-LISA Management Board, Top Management, Organisational Structure, Interoperability Advisory Group, ECRIS-TCN Advisory Group, EES-ETIAS Advisory Group, Eurodac Advisory Group, SIS II Advisory Group, VIS Advisory Group, Working Group for Carriers), Our Partners (EU Agencies, EU Institutions, Member States), and Finance. The main content area has a header 'Working Group for Carriers' and a large blue banner with the text 'Carriers Registration now open for EES and ETIAS!' and illustrations of a ferry, an airplane, and a bus. Below the banner, the 'Carrier Registration' section explains that air, sea, and international carriers can now register with EU-LISA. The 'Explanatory Presentations and Materials' section lists links for Frequently Asked Questions (Updated), Information material for Carriers, Crew Exceptions, Carrier Working Group Meetings Calendar (Updated), Implementation Process, Implementation Timeline, and Interface Overview. A footer note states that according to EU regulations 2021/1217 and 2021/1224, carriers have a legal obligation to query EES and ETIAS.

Future Support to Carriers: How will eu-LISA support carriers operational activities after May 2023?

New enrolments and Deregistration from the Carrier Interfaces

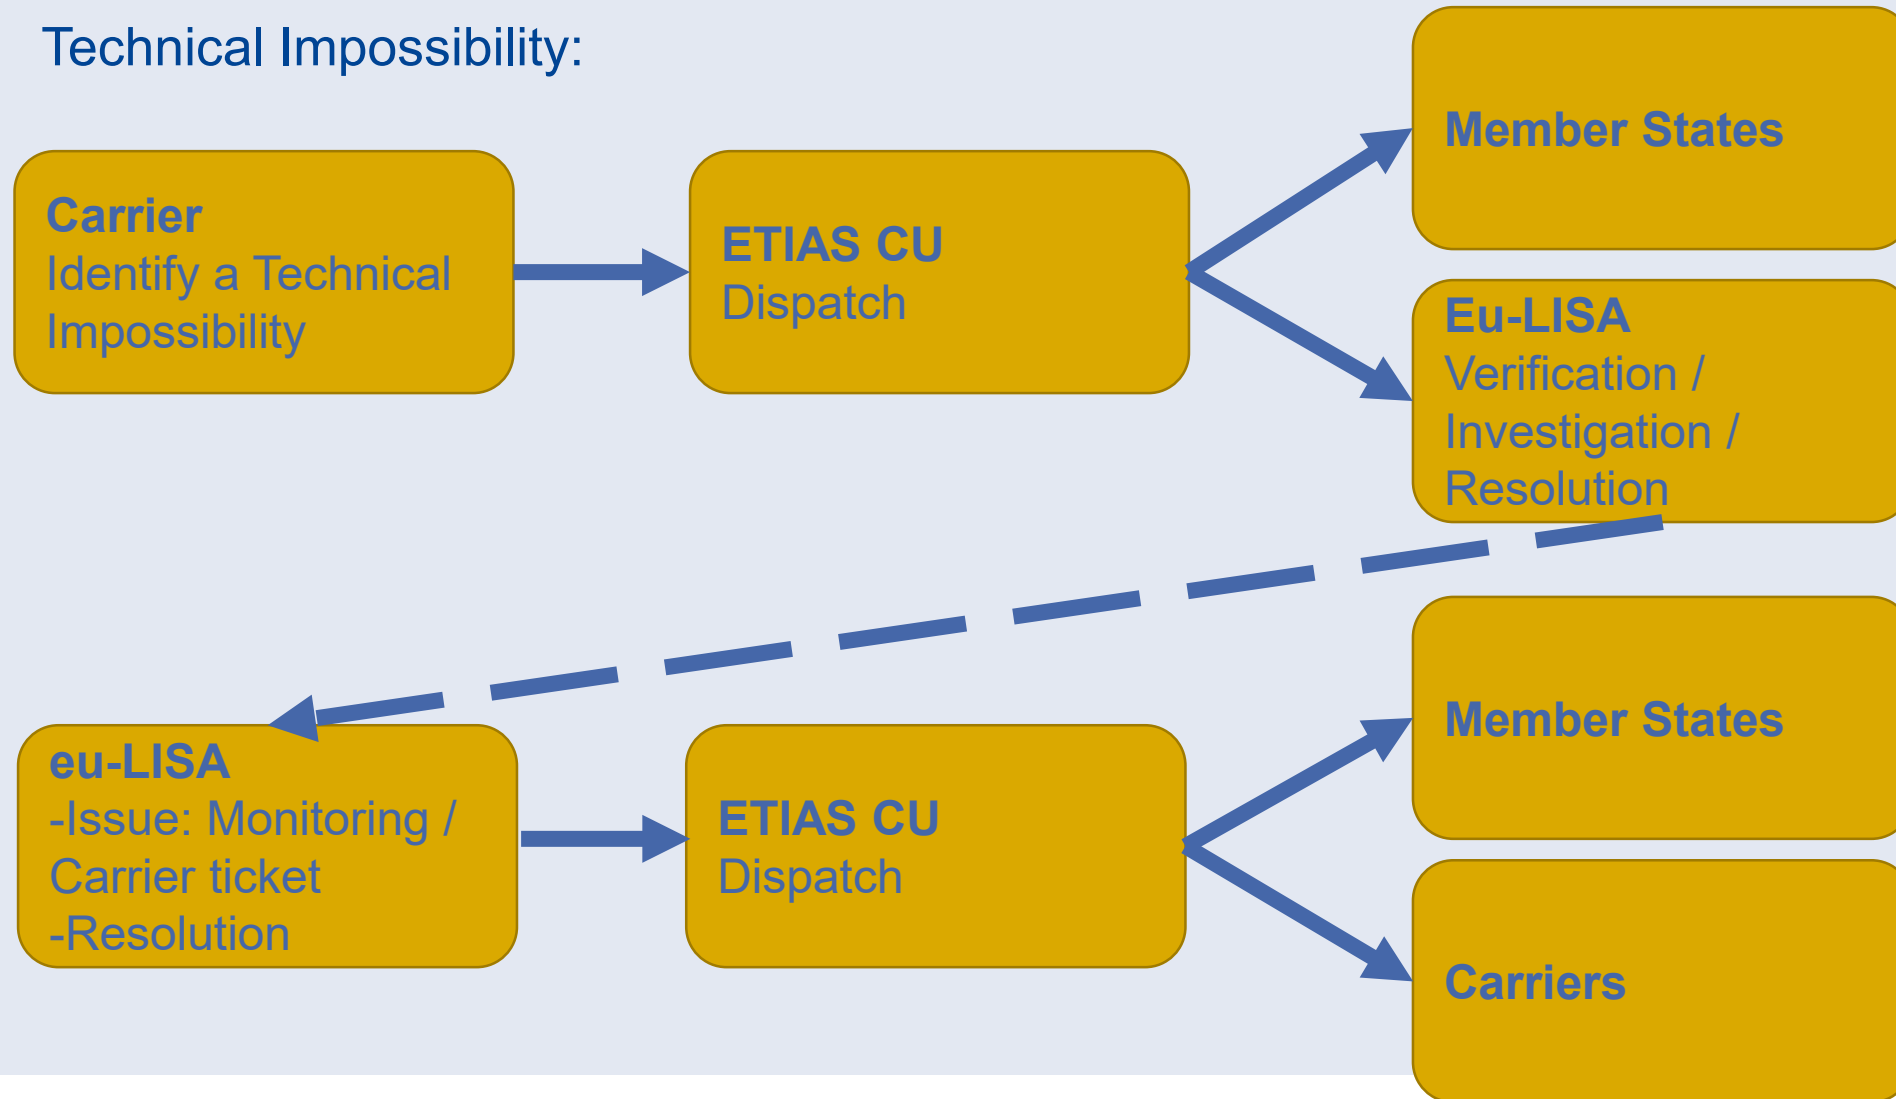

- After May 2023, new carriers will be still able to:
 - Register
 - Perform pre-CT and CT
 - Use the eu-LISA test environment to train their authorised staff
- Deregistration:
 - Carriers that no longer operate in the area where EES or ETIAS applies shall inform eu-LISA to be deregistered
 - Carriers not using the interface for 1 year shall be automatically deregistered (as per regulation)
 - Carriers no longer fulfilling the conditions of the regulation, have breached the provisions of the regulation, the security requirements established by eu-LISA or the technical guidelines
 - The carrier will be informed 1 month in advance
 - Opportunity to provide written comments and solve the situation
 - Urgent IT security concerns → eu-LISA may immediately **disconnect** a carrier

Carriers Assistance - Applicable legislation

- Article 14 of Implementing Regulation (EU) 2021/1217:
“A web form as part of the ticketing tool shall be made available to carriers on a public website in order to allow carriers to request assistance.”
- Unavailability of the web form → emergency phone line
- Assistance in English available 24/07
- **Not of a technical nature** → ETIAS Central Unit directing to relevant information
- **Technical nature** → eu-LISA responsible for providing assistance
- FAQ available online in all official languages of the Union
